

CULTURAL RESOURCES CAPABILITY STATEMENT

Core Competencies

HANA Resources, Inc. is a certified diversity environmental firm whose experience originated in 1995 with its corporate office in Orange County, and other field offices in California. With its patented and proprietary technology, HANA Resources applies a data driven methodology to the management, monitoring and restoration of native habitats. We can provide the following cultural resource services:

- ◆ *Historic Properties Evaluation*
- ◆ *NEPA/CEQA Compliance*
- ◆ *Phase One Surveys*
- ◆ *Records Searches*
- ◆ *Cultural Resource Management*
- ◆ *Native American Consultation*
- ◆ *Pre-construction Surveys*
- ◆ *Construction Monitoring*
